

# SURVIVOR BIRTHDAY GIFT DRIVE

## BUILDING A COMMUNITY FREE FROM VIOLENCE

Radiant Futures is building a safer community in Orange County. Originally founded as Women’s Transitional Living Center, we were the first domestic violence agency in Orange County and the third in the United States. Since our inception, we’ve been a committed partner and solid presence in our community.

### Our Services Include:

- Shelter and Housing
- Counseling and Holistic Services
- Legal Advocacy
- Community Engagement

Our services are open to everyone and our team partners with each domestic violence and human trafficking survivor to tailor services to their unique situation and goals.

**Celebrate birthdays with Radiant Futures by making sure every survivor and their family feels special on their big day!**
